Attention all Learners and Improvers

Now that you're starting to feel more confident about your ability to handle a bell, we'd like to organise some Saturday get-togethers with others of the same ability so you can try your hand at ringing in other towers and (of course!) to make a social occasion of it.

The emphasis will be on getting out and about, finding new friends, and having fun. It will help you to learn to handle different bells, but if you're already ringing quarter peals in different methods then this is probably not for you.

If you are interested in taking part in this type of event, please contact Nigel & Sally Dick by e-mail at ringlearners@gmail.com or on 01926 650078.
